He's the  
mathematician who  
deciphered enigmas  
during World War  
2, right?

I wanted  
to see that  
movie too!

Really?

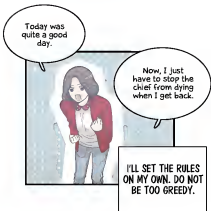

Yes, I like mathematicians and it stars many actors I like. It's a movie I've been waiting for since before its release.

I'll buy them in advance!

Ah, then I'll pay for the meal! Should we meet at the express terminal?

...SINCE TIME  
LOOP PROTAGONISTS  
ALWAYS FAIL DUE  
TO GREED.

And definitely no  
thinking or saying I  
want to kill the chief  
when I get back!

Excuse me,  
Chief, but I think  
I smell something  
burning from your  
laptop.

It doesn't  
though?

No. The burning  
smell seems quite  
severe so can I look  
at it for a bit?

Look, a  
really good  
computer expert  
appeared...

No. You can't  
say you want to  
kill him, Luda Lee..  
Don't even think  
about it.

If the chief  
dies, you don't  
have a future.  
Control your  
anger..

Think of  
something cute  
and lovely.

The chief  
is not in front of  
me... He's not in  
front of me..

He's a  
Pomeranian...

A cute  
Pomeranian...

Chief, if the smell  
is this severe I think  
something dangerous  
will happen. It might  
even explode from  
overheating...

It's not your  
problem so stop  
worrying and  
go work.

Close!

You're not  
letting go?

I'll just see it  
once. If it's okay I'll  
return it to you.

**I DON'T  
NEED IT!!!**

Don't be like  
that... Just once.

It'll explode,  
it'll explode  
for sure!

I think it'll  
explode in a  
moment!

Calm down!!  
Calm down,  
Luda Lee!!

DID YOU GO  
CRAZY!!!!

This is not  
the chief.

THIS CRAZY  
B\*TCH!! ARE YOU NOT  
GOING AWAY?!!?

This is  
a cute,

...and  
lovely.

B\*TCH!!!

T/Y: THE JOKE HERE IS THAT  
"GAE-SI-KKI" MEANS DOG BASTARD

I SAID I WOULD  
RETURN IT!!!

SFX: Pop!!!

퍼엉!!!

...Did I...

...just die  
too?

The chief in  
relation to death  
is like a moth flying  
towards a flame...

If I'm at his  
side, then of  
course I would  
get caught up  
with him...

What if I  
die instead  
while saving  
the chief?

Does that mean  
the chief lives and  
only I die?

SAYING THAT, I THINK  
THIS IS NOT A SIMPLE  
TIME LOOP BUT A MUCH  
MORE DANGEROUS THING.

No matter how I think  
about it, stealing from him  
directly is too close so I can't  
do it. I should find a fancier  
way for the chief to let  
go of the laptop.

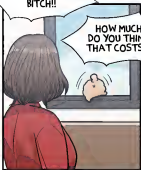

THIS IS  
CRAZY!!!

DID YOU THROW  
MY LAPTOP OUT  
THE WINDOW.  
JUST NOW?!?!

**THIS CRAZY  
BITCH!!**

**HOW MUCH  
DO YOU THINK  
THAT COSTS?!**

I knew it, it's the same as before.

*Is the cause not  
saying "Die"?*

*Does he not die  
when he hears that  
he should die...*

*It might be  
because I couldn't  
control my desire  
to kill him.*

*Let's work  
hard to get rid of  
my violent desire to  
curse the chief.*

Is there  
something  
wrong?

Ah, no!

You look tired,  
are you okay? You  
looked like you were  
tired all day.

Ah, yes. It's  
nothing. It must be  
because I couldn't  
sleep properly.

Focus, Luda Lee! To you, it may be the nth time of the same conversation, but to the assistant, it's his first!

Even if tomorrow will come, what's the point if today doesn't go right!

Live today with all your might. Wear pretty clothes well...

You can do well with Assistant Kang! You have to go to the weekend date together, don't you!

LEADING  
ENTERTAINMENT  
COMPANY SM'S CEO  
SOO MAN LEE LEFT  
THIS FAMOUS QUOTE.

I.M. "THESE" REFERS  
TO IDOLS SINCE SM ENT  
IS SO WELL-KNOWN  
FOR PRODUCING  
LARGE IDOL GROUPS.

"OUT OF THESE, YOU  
MUST HAVE AT LEAST  
ONE PREFERENCE."

*Time loop,  
let's see if you'll  
win or I'll win.*

*Using Soo Man Lee's  
strategies, there can't be  
anything I can't do after  
doing this and that.*

I will follow  
that person's  
success  
stories!

Mr. CEO,  
please give me  
strength!!

WHERE'S MY  
LAPTOP?!?!

I didn't see it?

I SWEAR I LEFT IT  
HERE. BUT WHERE DID IT  
DISAPPEAR TO WHILE I  
WAS EATING LUNCH!

*I left it to repair.  
I even closed off the  
windows and got rid  
of anything dangerous  
from the office.*

*How do you  
want to die?*

How do you want  
me to work with-  
out a laptop!!!

*Shit, the  
Internet doesn't  
work!! The  
Internet!!*
